QUESTIONS YOU SHOULD ASK AS YOU READ:

-  **WHAT DOES IT SAY?**
Read the text as though you are a detective, looking for evidence. Nothing in God's Word is insignificant!

-  **WHAT DOES IT MEAN?**
Context is king! Don't ask, "What does this mean to me?", but rather, "What does this mean?" Period!

-  **WHAT DOES IT TEACH?**
What is the "timeless truth" that anyone anywhere can base their life upon?

-  **WHAT DO I DO?**
A truth not practiced is a truth never really learned or believed. What will you do with what God has shown you?

Remember:

- Trust God to speak to you. Read expectantly!
- Don't try too hard. Avoid the tendency to look beyond what is in the text.
- Think! Reading the Bible is not like watching TV; think! Meditate on what you read!
- Put into practice what you learn and hear from God through His Word.
